Ref; Well Abandonment and Violation Abatement

Let me first apologize for my tardiness on sending this notice of compliance. I and my crew leader both have been out for surgery and this is my first day back.

Well Number 1, 618 Salisbury Street was abandoned June 04, 2010 by Corriher well drilling. Please find enclosed a copy of form GW-30.

This should bring every thing back into compliance and I appreciate your help and understanding through this project.
